Mr. Sutherland had been a patient in Kaiser hospital in Oakland for about a week after becoming ill on an Easter visit here.

Funeral services were held in Cayucos yesterday afternoon. Interment was in the Cambria cemetery.

Dog Park, Waterfront, Schools, Odor Occupy City Council Attention

Albany City Councilmen covered a three and a half page agenda and many items not on the agenda within about two hours Monday night.

Held over for one week was Mary Culley's petition for a "doggy park" to be constructed under the BART overhead south of Solano. There were more than 200 signatures on the petition, including nine residents of the 900 block of Masonic, proposed site of the park.

Councilman Lewis Howell commended Mrs. Culley for her efforts in making the unique proposal, adding that if it is brought back next Monday night after being publicized, Council would hear any objections to the idea.

Mrs. Culley suggested a concrete or black-top runway enclosed by a six-foot fence with decorative fireplugs plus drains so it could be hosed down and kept clean.

"There is a definite need for this," she said. "Albany may be a little city, but it has a big heart. They really care."

Other councilmen seemed enthusiastic, pointing out it could bring nationwide attention to Albany. Ralph Buckwalter spoke from the audience in favor of the proposal.

Waterfront

Council approved a progress payment to Leon Rimov for waterfront studies in the amount of \$5,107.50 and directed a resolution prepared stating Council believes Rimov is going in the correct direction and likes his plan in principle. It is to be forwarded to the Planning and Zoning commission for public hearings.

Large drawings of the Rimov "island concept" were displayed.

Schools

A communication from Jeanette Rutherford, president of the Albany Homeowners and Taxpayers association, requesting news media to print Councilman H. F. Call's resolution and a portion of AB 272 to which it refers, prompted lengthy discussion of the schools.

Howell said people should be concerned about the schools and organizations such as the AHTA should help find a solution to their problems that would not involve additional property taxes. He said Albany has good schools and people should be proud of them, adding that since the Richmond tax election failed, people are trying to get their children into Albany schools.

Councilman H. F. Call added that he doesn't think the Albany taxpayer should have to pay the cost of educating children from eight districts now attending here. He and AHTA believe those districts should pay the difference between ADA and actual cost.

Howell said at the recent League of California Cities meeting in Sacramento, there had been proposals to take money from wealthier school districts and give it to the poorer districts.

Call added Albany is not listed as a poorer district, which may explain why it has not been reimbursed for the cost of educating children from University Village.

Councilman Joe Carlevaro added Albany may have its good schools because it is a good community of smaller homes. He said he often wondered if the schools were located in West Oakland if people still would be as anxious to get their children in.

Call said the portion of AB 272 which is frightening is the one which, after July, 1971, gives school districts the right to set the tax rate without the vote of

WILLIAM (BILL) POTTS ELECTED BY LIONS CLUB

Albany Lions club officers for the year 1969-70 have been elected by acclamation.

Elevated to the presidency is William (Bill) Potts, long time Albany engineer and sports enthusiast.

Most recent of his accomplishments may be found at Feeny Field. When a press box was needed, good Lion Potts stepped forward. From his drawing board and guidance, a fine facility is now a part of the field.

In addition, Bill records photographs of all football games on film for future training purposes.

He is also active in District 10, American Legion, baseball circles. Elected first vice president is John Moon, electronics technician. Lion Moon has served in most club offices. He moves up from program director.

The second vice presidency goes to William (Bill) Savage, former Albany High school varsity football coach. Savage's prime interest is youth, where he has

established a long, worthy reputation for unselfish contributions.

Secretarial duties remain in the capable hands of Allan Vincent, 21-year member and former Lions District secretary on two occasions.

Don Chelemados, longtime Albany market owner, retains the treasurer's position.

John Kampe, retired local contractor, will again perform Lion Tamer duties.

New blood to move up includes Raymond Young, Deputy County Coroner, who was elected tail-twister. To the board of directors, Art Overman of Shell Development and Elliott Jones, local contractor.

Henri Honnert and John McDonald are holdover directors. Carl MacWilliams, public relations chairman, is a board member by position held.

President-elect Potts reports plans are presently being completed for installation scheduled for Saturday evening, June 14, at Cerrito City Club, El Cerrito.

ALBANY TEAM EXPLAINS LOCAL DRUG PROGRAM

"Drug Education: School and Community" was the theme of a discussion meeting for Bay Area teachers and counselors, school administrators, students and parents last Saturday morning at the Albany High school Little Theater.

Sponsoring the meeting were Albany School District and the Cooperative Idea Exchange, a project of the University of California School of Education and UC Extension's graduate internship program of teacher education.

Kenneth Forry, superintendent of the Albany public schools, said the meeting was designed to offer educators and concerned citizens an opportunity to learn what Albany's school district has done over a three-year period to explore approaches to meeting the problem of drug abuse. The program focused on helping students understand themselves, their relationships to other students, their parents and society, and the nature of drug abuse.

Special attention was on ways the program—which includes the classroom, the adult school, par-

ents, PTA and other community resources—can be used as a model for other school districts.

Featured was a panel of Superintendent Forry; Harry Price, principal of Albany High school; Mrs. C. E. Fletcher, chairman of the drug education committee of the Albany High PTA; and Gene Davis, biology teacher at the high school and coordinator of the drug education program. Small discussion groups followed the panel.

Don't forget to set your alarm clock one hour before you go to bed Saturday night.

NEW HOWELL hopes Albany residents are aware that the City of Albany contract with Oakland sewer permits you to have second can for rubbish at a rate of \$1 per month. This was done in anticipation of the ban on yard burning, which becomes effective Jan. 1.

FEEL A BIT "chicken" leaving the Bay Area over the weekend after the earthquake was supposed to dump us all in the ocean. I'm attending the Southwest Region Soroptimist conference in Sacramento, Jackie Rasberry and I rushed home and were glad to find Albany and San Francisco in their proper places. Much for all those predictions.

LAST TUESDAY night, we had a regular monthly get-together at a club that includes 10 women. In the week, the mother-in-law of Orma Lamanno and father of Shirley Jensen died and a member, Olga Ruh, had a granddaughter.

IT'S TIME to think about frogging again, according to the irresistible Marty Webb. What stunts he's cooking up year to year to call attention to the 10th annual Thousand Oaks merchants preliminary jump on May 10. Last year, he went to lunch with hundreds of worms present to Dick Clark. It ended up the Mayor wasn't there, and Joe Carlevaro had to clean up the squirming mess!

GIRL SCOUTS, of which we have three, are pounding the pavement with their cookies this year. They're offering Scotch, cream-filled and mint tarts. We didn't get one box of mint cookies, our favorites, because everyone else likes them.

DAUGHTRY, TURNER NEW RED CROSS OFFICERS

Claude Daughtry, Solano Avenue Realtor, and James B. Turner, Albany Administrative Officer, were elected to the offices of first vice chairman and treasurer, respectively, of the Berkeley-Albany chapter, American Red Cross at the chapter's 55th annual dinner meeting Thursday evening. They will serve under Arthur Bellman, Berkeley attorney, who was named chapter chairman for the coming year.

Turner was co-chairman of the Red Cross fund drive last month, and both he and Daughtry serve on the chapter's board of directors.

Other officers elected at the meeting at the Hotel Claremont were Ervin Clausen, second vice chairman; Mrs. Douglas McConnell, third vice chairman; and Miss Margaret Beede, secretary.

Addressing the dinner audience at the Hotel Claremont, Robert M. Pierpont, National Director of Red Cross Disaster Services, was cautiously optimistic about flood conditions in the Mid-West. Thanks to the work of the Army Engineers and elaborate disaster preparedness planning by the Red Cross in cooperation with Government and local agencies, "it looks now that we will not be having a major disaster on our hands this year," he predicted, "providing the weather continues to cooperate."

Outgoing chapter chairman, George Conner of Albany, praised the work of the 1,513 chapter volunteers over the past year and paid tribute to Mrs. Lewis Geigerich, who has headed the Office of Volunteers for six years and will retire this month to become supply chairman. Mrs. Geigerich was unable to attend the meeting because of illness.

SECURITY SAVINGS

took the lead in bringing you 5% interest on your money from date of deposit to date of withdrawal...

NOW let's talk about 5.38%

To bring you up to date, Security now pays 5% interest, compounded daily, on your money every day from the date of deposit to the date of withdrawal. Even if its only with us for a day, a week or a month.

On an annual basis, that earns you 5.13%. Now, about that 5.38%...

If you feel you can keep all or part of your savings dollars with us for three years, and allow the interest to accumulate, we can provide you yearly bonus interest of .25% on your savings in a certificate account. So... add .25 to 5.13 and presto... 5.38%!

And even if something occurs that means you have to withdraw money from your account, it still will have earned that good, solid 5% — compounded every day that it's been with us.

Really, now... how can you lose? You get 5% interest daily no matter what, and may earn as much as 5.38%!

Think about it.

If you have your money anywhere else, it may be costing you money to leave it there. If your money is in the bank, a checking account earns you nothing. Savings accounts at the bank earn from 1% to 1 1/4% less than at Security. Stocks and mutual funds may or may not be appreciating for you. And money in cookie jars and piggy banks accumulates only dust.

Bring in your cash, checks, money orders or passbooks. Security will open an account for you or transfer your present account to us... free of charge, or in the case of transfers, with no loss of interest. Even if you're simply between investments, your money is making money as many days as it is with Security.

Risk? None. All deposits are insured by an agency of the federal government to \$15,000. Services? You bet. We aren't kidding when we say we want your money. We'll work for it — just like you did. And we'll make it work for you — every day.

See, write or phone one of our nine Bay Area branch managers.

All branches are open 9 a.m. to 4 p.m. Monday through Thursday, and 9 to 6 on Fridays.

VICE MAYOR H. F. CALL reports many complaints from Albany Hill on "that smell," which they assume is coming from Golden Gate Fields. Red says it isn't the racetrack, but the raw garbage in Berkeley's dump (sanitary landfill?). He says people can prove it to themselves by driving beyond the track and whiffing. He's afraid a hot spell will make it so miserable at the track that it will cut into attendance.

THE NEW traffic lights at Jackson and Buchanan are now in operation.

KNEW IT would happen some day: somebody scrambled up on the BART tracks the night of April 15 and shot out all those beautiful round lights in one block with a BB gun. Hill Lumber Company reported windows shot out the same night.

AN ALBANY woman was awakened the other night by knocking at the door. She didn't answer. Then she heard someone prying the door. That did it. She jumped out of bed and came face to face with two white kids, about 20 years old. There could be several endings to the story, but, happily, the youths bolted and the woman called the police. The blotter didn't say more, but some of us could scare off a whole army with the curlers, face cream, etc., etc.

EVERYONE LOVED the Cornell music program last Thursday night, especially the combined Marin-Cornell orchestra, directed by Jeannette Musselman. After three numbers, the audience applauded for more.

The production will play every Friday and Saturday night at 8:30 p.m., April 25 through May 24, at the Masquers Playhouse, 105 Park Place, Point Richmond. Reservations may be made by calling TH 3-5475 or BE 2-3888. Theatre patrons are advised to phone ahead for reservations.

B-Young Bridal Fashions Shown by Junior Class

Have your prom dress? Going to be a June bride? Just looking?

The Junior class of Albany High school is going to make "looking" pleasurable this Friday night, beginning at 7 p.m., when they present lovely creations by Barbara Young of B. Young Fashions as the final money-making project before the prom.

The show, "Bridal Affair," will be presented at the AHS Little Theater. Tickets are \$1 until the night of the show, when they will be available for \$1.50 at the door. They are now being sold by members of the class and at the Albany Times office.

Silks and satins, bows and rhinestones from the "Romeo and Juliet" look to the new "pants" look in formal wear will be modeled by Barbara Paul, Lesan Beckhusen, Debbie Seddon, Penny Robbins, Leslie Dawson, Leslie Ross, Melissa Windship, Caroline Bielski and Diane Duckett.

IT'S A GIRL

Mr. and Mrs. Charles Ortiz of Richmond Annex are the parents of a daughter, Michelle Rene, born April 20 at Alta Bates hospital. Olga and Hal Ruh of 1110 Evelyn are maternal grandparents. Michelle joins a sister, Angela Marie.

There will be many prizes given away during intermission. Class members have urged the public and their parents to attend the show.

No Superstitions For 13 League Directors

The 13 Albany Little League Directors obviously are not superstitious for they expect this baseball season to be the greatest ever.

This year adds another league to include boys between the ages of 16 and 18, to be known as the Big League.

The League now has four divisions, which provides organized baseball for Albany youths starting at the age of eight.

Del Wisenor, president since 1962, has announced board members: Jim Scoggins, first vice president; Bob Gray, second vice president; Mrs. Curt Danner, secretary and treasurer; Bob Luoma, National League representative; Joe McConahy, American League representative; Norman Jacobson, Senior Division representative; Mrs. Robert Luoma,

ways and means chairman; Bob Fisher, Senior Division player agent; Mrs. Ernest Jaramillo, Women's Auxiliary representative; Charles Allen, umpire-in-chief; Curt Danner, electrical equipment and Mario Lavagnino, equipment manager.

Renovated Refreshment Booth

At an Albany Little League Women's Auxiliary meeting last week with approximately 100 women in attendance, Mrs. Ernest Jaramillo announced that the refreshment booth located at the baseball diamond at University Village has been remodeled completely by Jim Smith and his crew. A new roof, floor and plumbing make up major repairs.

Managers and coaches who will participate in the Albany Little League's opening day's baseball games have been named by Del Wisenor, league president.

They include (first named is manager): Cubs, Bob Luoma, Bud Acorn; Braves, Morrie Segerberg, Jim Platt and Jim Wright; Cardinals, Larry Eaton, Mike Still and Any Heffernon; Dodgers, Bill McKenna, Len Patterson and John Converse; Pirates, Ernie Jaramillo, Bob Alpert; Giants, Bill Lewis, Saul Torres; Angels, Jim Smith, Bob Fisher, John Zoro and Jim Simmons; Athletics, Bob Codero, Bill Bieker; Indians, Fred Cisneros, Ernie Pimentel and John Martin; Orioles, Jack Rosano, Ken Chamness and Rich Sandretto; Red Sox, Vern Silva and Frank Costa; Senators, Mel Ayers, Paul Nomura, Jeff Armstrong and Dave Ellis; Tigers, Raul Ybarra; Twins, Pete Krusi, Bruce Schroff and Steve Layne; White Sox, Jim Rosario, Joe Gooding and Roy Gaskins; Yankees, Joe McConahy.

Hot, Cold Food

Albany Little League's Women's auxiliary is planning to meet the refreshment needs of the hundreds of baseball fans who will be attending the opening day, Little League ceremonies and the eight baseball games to be played on the University Village baseball diamonds next Saturday.

Mrs. Ernest Jaramillo, auxiliary president, will be assisted by mothers of team players in the setting up and serving of hot and cold food commencing at 10 a.m.

New Sponsors

New sponsors for the Albany Little League this year are Mascola's Delicatessen, Frank's Chevron Service and Zupo's Barber Shop, which makes a total of 95 sponsors.

New sponsors are always needed to replace the ones who move out of town or go out of business. The Little League has sponsorships available at \$15 per boy or \$200 per National League and Senior Division team.

Team Mothers

Team mothers for the American and National Leagues of the Albany Little League are Mrs. Darold Acorn, Cubs; Mrs. Len Patterson, Dodgers; Mrs. Morrie Segerberg, Braves; Mrs. Bill Lewis, Giants; Mrs. Ernest Jaramillo, Pirates; Mrs. Jean Holenthal, Cards; Mrs. Bob Fisher, Angels; Mrs. Bob Codero, Athletics; Mrs. Fred Cisneros, Indians; Mrs. Jack Rosano, Orioles; Mrs. Mel Ayers, Senators; Mrs. Tom Vargas, Red Sox; Mrs. William Triggas, White Sox; Mrs. Peter Krusi, Twins; Mrs. Larry Delaney, Yankees and Mrs. Raul Ybarra, Tigers.

LARUKA COUNCIL

The meeting will be conducted by Weno-nah Betty Bates, due to the illness of the Pocahontas, Hazel Manica. Refreshments will be served by Chairman Mrs. Fred Bates of San Lorenzo.

Rain Dampens Egg Hunt, Contributors Thanked

Though playgrounds were dampened, spirits weren't, and the Albany Park and Recreation department annual Easter Egg Hunt was its usual springtime success.

As the rain forced the cancellation of the usual "Hunt" for prizes and eggs, candy and Easter eggs were passed out to the visitors at Terrace, Memorial and University Parks. Twelve cases of eggs and 700 bags of candy changed hands on the morning of April 5.

Thanks to the following for contributions that made this program possible: Albany Senior Citizens club, American Legion, Albany post 292, Albany Soroptimist club, Marin PTA, Alberito Business & Professional Women, Ladies Auxiliary FOE No. 2323, Albany Fire Department "Coffee Fund," Albany Police Department "Kitty Fund," Albany Chamber

of Commerce, Moose lodge 1972, Albany Rotary club, Albany Lions club and Chelemados Market.

BURGLARIES

Albany Police report several residence and business burglaries recently. A home at 1030 Masonic was burglarized of a TV set, home at 1107 Evelyn, \$17 cash and a watch. Sherman-Clay at 518 San Pablo Ave., suffered the loss of about \$1,500 in guitars, amplifiers and picks on April 14. The next day, Albany High school reported the loss of \$615.75 in amplifier, turntable and speakers. A Santa Rosa woman reported the theft of her purse at Golden Gate Fields, including \$90 cash, credit and identification cards on April 12.

Two Local Dogs Are Poisoned

Two Albany dogs who were within four houses of each other were poisoned within the past three weeks, Animal Control Officer John Savers reports.

He said the Berkeley Humane association is paying \$100 for information leading to the arrest and conviction of anyone poisoning an animal. In addition, the American Humane association is offering a \$500 reward in Alameda and Contra Costa counties for the same information.

Residents of the Cerrito-Solano area, as well as everyone who has pets, are asked to be watch for bits of food, into the yard, prevent nighttime roaming as much as possible, and to alert the Berkeley East Bay Humane Society of any suspicious indications worthy investigation.

The Times prints more news about Albany people than any other newspaper.

Cheryl Thomas Married

Mr. and Mrs. David Phillip Jensen
(Cheryl (Cheri) Thomas)

—Keith Cole Photo.

White carnations, gladioli and stock flanked the altar for the Saturday, March 29, afternoon wedding at the First Church of the Nazarene in San Francisco of Cheryl K. Thomas and David Phillip Jensen.

The Rev. Sidney E. Jackson performed the 2 p.m. double ring ceremony which was followed by a reception at the Forest Hill Club House.

Carnations and stephanotis were the decorations at the club house. Guests were received in front of the huge fireplace, which was flanked by trailing arrangements of white carnations, ivy and florets of stephanotis.

Cheryl Thomas (known as Cheri) is the daughter of Mr. and Mrs. William N. Thomas, Jr., and the bridegroom's parents are Mr. and Mrs. Dave J. Jensen of Redding.

The bride, given in marriage by her father, wore a gown of white imported Alencon lace and seed pearls appliqued on English net. The gown was designed with an Empire bodice, lace scalloped neckline and long sleeves. The A-line skirt and cathedral-length train were bordered in silk peau de soie. She wore an applique aloncon lace tiara with a bubble veil of English illusion. She carried a cascade of Jaffette orchids, stephanotis and Hawaiian fern. For the something "old" the bride wore an heirloom locket, and the something "borrowed" were her mother's pearl drop earrings, which her mother and sister had also worn at their weddings.

Mrs. Vaughn K. Patterson, sister of the bride, was matron of honor. Other attendants were Miss Barbara Knoller and Miss Elaine Howard. All wore full length blue organza sleeveless gowns with white lace edged stand-up collar and the lace banded A-line skirt falling from an Empire band of white lace.

Mrs. Patterson carried a bouquet of white roses and carnations, blue Queen Anne's lace and Hawaiian fern. The others carried pale blue carnations, white roses, Queen Anne's lace and

Gra-Y Plans Bottle Drive

The Gra-Y Council of the Berkeley-Albany YMCA announces a bottle drive Saturday, April 26, between 9 and 11 a.m. in the Berkeley and Albany area.

The Gra-Y boys, fourth through sixth graders, will carry identification with them. They will use the proceeds to help boys and girls to help themselves around the world through the YMCA's World Service program.

The YMCA is found in 85 countries and world service works in 39 countries to help them to become self-sustaining units. The YMCAs of the United States and Canada are raising \$3,000,000 to continue this vital program.

For pickup of bottles, call 525-4332 by Friday, April 25.

Parents Shouldn't 'Run Scared'--Dean of Students

Albany High School Dean of Students Johnna Rasberry defended today's youth in a talk before Albany High 12 members and guests Friday by urging parents to stop being fearful of crossing their children, to talk to them and attempt to understand the chasm that separates them from their elders.

Mrs. Rasberry reminded her audience that the oldest student at Albany High school was born in 1952. Their world is completely different from the world their parents knew.

At the time of their birth, she said, the big threat to the world was communism, so parents taught them the importance of their Constitutional rights, their freedoms, of democracy.

While their parents were raised to believe in work, they believe in leisure. Parents save for a rainy day. They believe in the here and now. Parents worship money. They're humanitarians. They're saying, "Make love, not war." They know if we don't help and understand each other,

we'll destroy each other," the speaker said.

"Today's kids are responsible and they need responsibility," Mrs. Rasberry said, giving as examples the 1969 senior class which decided they'd like to go to Disneyland for their All Night Party and then raised more than enough money to pay their way. In another instance, a boy who had been absent about half of the time was asked to be a volunteer assistant to help a problem child at the elementary level. He became so enthusiastic about his responsibility they could scarcely make him miss a day when he was ill.

She chided mass media, particularly television, as being negative. The trouble at Cal, she pointed out, involved no more than 5,000 of the 28,000 students, yet the news media doesn't bother with the 23,000 responsible students who are there to get an education.

Legislators don't need to make more laws regarding youngsters, she said. What is important is

Live Wires Surprise Party

A surprise party is planned for the final Live Wire meeting of this season at 7:30 p.m. Friday at Security Savings and Loan Friendship Room.

Marvin Martin will show slides of current interest to the group.

Ruth Faulkner and Florence Watson will be hostesses.

to know them, how and how much to use laws already on the books.

In describing the young person of today, Mrs. Rasberry said, "They're saying things and they have a language all their own. Listen, talk to them, don't run scared. They want to be part of any decision that affects them."

She said we must put gentleness and plain talk back into the language. Confrontations need not be frightening and much good can come of them.

"We've made mistakes in dealing with youth, but we've done a great deal of right, too," she said, adding young people are still looking to their elders for guidance.

Red Cross Calls For Volunteers

A two-day training session preparing volunteers to serve in the Red Cross Friendly Visitor program will be held on Saturdays, April 26 and May 3, at the Berkeley-Albany chapter, 2116 Allston Way, Berkeley. Men and women of all ages are needed in the program, and young people are especially welcome, according to Mrs. John R. Post, Friendly Visitor Chairman.

Friendly Visitors give at least an hour a week to visiting the ill and aged who are shut off from normal contacts with the outside world and desperately need friends and personal attention, Mrs. Post explains. "Any one who has a basic concern and affection for people can help."

Persons interested in becoming Friendly Visitors are asked to
